FOR YOUR SPACE

When standard dimensions do not fit.

If you need dimensions beyond our standard range, send us your required width, height and depth to request a quotation for a custom-made product.

01

Share your dimensions

Specify the width, height and depth in millimetres.

02

Choose your configuration

Add your preferred colour, quantity and any requirement for a locking module.

03

Confirm the quotation details

Technical feasibility, pricing and lead time are determined after your request has been reviewed.

DELIVERY AND USE

Standard products are delivered assembled and must be secured to a suitable wall for use. Check the product dimensions against your intended installation space before ordering. Confirm current prices, availability and delivery information on the product page or with the QUNCH team.
